

2016 INCOME GUIDELINES for ServicePoint Data Entry (updated 04/05/2016)

HOUSEHOLD INFO (will be the same for each household member)

Total Household Size (including people not enrolled in your project)	Household Size	<input style="width: 80%;" type="text" value="1"/>	G
Total Household Monthly Income	Household Income (Monthly)	<input style="width: 80%;" type="text" value="720"/>	G
Area Median Income	Percent of Median Family Income	<input style="width: 80%;" type="text" value="0-30% MFI"/>	G
Federal Poverty Level	Level of Family Income (% HHS Guidelines)	<input style="width: 80%;" type="text" value="Up to 50%"/>	G

The AMI and FPL need to agree!

- Household Size (this count will include even those household members who are not enrolled in the program)
- Household Income of entire household (which could include people not enrolled in your project)
- Percent of Median Family Income (AMI) and Level of Family Income (% HHS Guidelines) (FPL)
(use the ranges listed here- not the ranges in SP since those are not for the Eugene/Springfield/Lane County area)
