"It's better to light a candle than to curse the darkness"
~ Eleanor Roosevelt

Shed light on the problem of homelessness through St. Vincent de Paul. Generous donors have offered this challenge: raise $10,000 and they'll match it, dollar for dollar.

- $5,000 for Connections Transitional Housing, to help formerly homeless families with affordable housing and case management

- $5,000 to First Place Family Center for bus pass/ID's, so that homeless parents can get to appointments and job interviews

Whichever cause appeals to your heart, be the 'match'.

Be “the match.”
