# SPONSORSHIP OPPORTUNITIES

EIN: 93-0454786

## SPONSOR OUR RESIDENTS

SVdP currently manages more than 1,400 affordable housing units in 31 complexes and houses across Oregon. In these communities, we serve veterans, seniors, adults with disabilities, and families.

## DESCRIPTION

Beyond providing a safe place for low-income families and individuals to live, Resident Service Coordinators facilitate activities to build strong communities and empower residents to care about their neighbors and the greater community around them. Your support would provide basic needs for residents, and empower kids who normally do not have the opportunity to explore and develop confidence through Kids Clubs and reading programs.

## OPPORTUNITIES

-1 Month: \$500

-Yearly: \$6,000

## BENEFITS

SVdP is on the move across Oregon and California, with lots of opportunities to share your generous support. We will provide marketing through our website, facebook, and e-news. You will receive a tax receipt, and the thanks from our staff and community we serve!

## NEXT STEPS

Your support will benefit our organization that serves over 50,000 vulnerable individuals a year. We'd love to hear you ideas, and get you involved!
