SPONSOR OUR FLEET

SVdP currently has 474 trucks, trailers, and machinery in use everyday. You can keep us moving by sponsoring our equipment!

DESCRIPTION

On average every month we spend \$62,000 on general supplies and repairs for our equipment across Oregon and California. These costs have become a large burden which takes away from our life-stabilizing programs, but with your generosity we can funnel more support to our programs benefiting our entire community.

OBJECTIVE

Giving Level 1: Sponsor the cost of fuel

- Monthly: \$500
- Yearly: \$6,000

Giving Level 2: Sponsor a Donation Truck and Trailer
