# YOUTH & FAMILY SERVICES

## PROGRAM SUMMARIES

First Place Family Center provides necessities for homeless families with laundry, showers and a clean place to make food together. The drop-in preschool and Parenting Cafe where parents can take classes to help end their cycle of homelessness while their kids are safely cared for are offered at this facility. The First Place Night Shelter runs out of our Annex for families to stay 90 days at a time, providing stability and resources to transition into permanent housing. The Girls Youth House is a unique shelter for 16-18-year-olds who identify as female. It provides two years of transitional housing and wraparound case management for 13 tenants at a time.

## SERVICE STORY: FIRST PLACE FAMILY CENTER

A pregnant mother, employed full time, was disastrously affected by the Covid-19 virus. Her co-worker contracted the virus and her employer shut down the company she worked at. The CDC enforced quarantine for her and her young child. A motel voucher was given, but, with the long-reaching effects of the virus, the money ran out, and she was unable to pay for another night. Sweeping in at just the right time, FPFC called her in regards to the Covid-19 Rent Relief Program. With a qualifying Intent-To-Rent letter from a new landlord, we were able to move her into a new apartment and then proceeded to roll her family into the Cares Rent Relief Program, so that she will be able to keep a roof over her family's head, have running water, and stay cool during these hot summer months.
