INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
St. Vincent de Paul Society of Lane County, Inc. and Subsidiaries
Eugene, Oregon

Report on the Financial Statements

We have audited the accompanying consolidated financial statements of St. Vincent de Paul Society of Lane County, Inc. (a nonprofit organization) and subsidiaries, which comprise the consolidated statements of financial position as of September 30, 2017 and 2016, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of St. Vincent de Paul Society of Lane County, Inc. and subsidiaries as of September 30, 2017 and 2016, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Also, the supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 16, 2018 on our consideration of St. Vincent de Paul Society of Lane County, Inc. and subsidiaries' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering St. Vincent de Paul Society Inc. and subsidiaries' internal control over financial reporting and compliance.

CONSOLIDATED FINANCIAL STATEMENTS

ST. VINCENT DE PAUL SOCIETY OF LANE COUNTY, INC. AND SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Nature of Operations and Summary of Significant Accounting Policies

Nature of Operations

St. Vincent de Paul Society of Lane County, Inc. is a nonprofit organization that creates employment, housing, and multiple training opportunities for low-income people in order to provide avenues out of poverty for those in need. St. Vincent de Paul Society of Lane County, Inc. has formed a sustainable community model that attacks the root causes of poverty and funds these activities with not-for-profit entrepreneurial business ventures.

Principles of Consolidation

The accompanying consolidated financial statements include the accounts of St. Vincent de Paul Society of Lane County, Inc. and those of its wholly owned subsidiaries, De Paul RE Services, Inc.; Marion County Elderly, Inc.; De Paul Property Management, LLC; D Lamb, Inc.; Linn County Affordable Housing Acquisition, LLC; and Society of St. Vincent de Paul of Lane County, collectively referred to hereafter as “the Organization.” Inter-company transactions and balances have been eliminated.

Basis of Presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that will be met, either by actions of the Organization and/or passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as net assets released from restrictions. As of September 30, 2017 and 2016, the Organization had \$29,542,909 and \$26,810,419, respectively, of temporarily restricted net assets.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations specify that the Organization maintain them permanently. Generally, the donors of these assets permit the Organization to use all or part of the income earned on any related investments for general or specific purposes. As of September 30, 2017 and 2016, the Organization had no permanently restricted net assets.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Description of Programs

General, Manufacturing, Retail, Warehouses, and Recycling - The Organization operates thrift stores, an economic development department, and a recycling department. Clothing, appliances, furniture, and other durable goods bought at bulk prices, manufactured or donated, are resold to finance the administration of the Organization and special charitable programs.

Housing - The Organization owns, operates, constructs, and renovates housing for low-income families. The affordable housing projects are primarily funded by federal grant programs and rent income.

Services and Training - The Organization, in cooperation with various denominations, operates emergency day and night shelters for the homeless. The Organization also provides emergency medical, food, and other services for the indigent.

Cash and Cash Equivalents

All checking accounts, money market mutual funds, and certificates of deposit with original maturities of 90 days or less are treated as cash and cash equivalents in the consolidated statements of financial position and cash flows.

Accounts Receivable

Accounts receivable is comprised of amounts due from granting agencies, contracts, and other various receivables. Management evaluates the collectability of accounts receivable on a case-by-case basis and writes off any receivables that have been deemed uncollectible. The allowance is composed of amounts due from former tenants that management has deemed potentially uncollectible. At September 30, 2017 and 2016, accounts receivable is presented net of an allowance of \$66,650 and \$65,573, respectively.

Accounts Receivable, Related Parties

Accounts receivable, related parties is comprised primarily of amounts due to the Organization from its limited partnerships for services rendered and fees earned. Management evaluates the collectability of these accounts receivable on a case-by-case basis and writes off any receivables that have been deemed uncollectible. The allowance is composed of amounts due where ultimate collectability is uncertain due to the limited available cash flow from those entities. At September 30, 2017 and 2016, accounts receivable, related parties is presented net of an allowance of \$770,245 and \$681,419, respectively.

Inventory

Purchased inventory is valued at the lower of cost (first-in, first-out) or market, generally based on an average cost per cubic foot or pounds of merchandise at the end of the year. The Organization also receives donated inventory throughout the year. The value of donated inventory at year end is determined by management based on a cumulative average value of donated inventory received throughout the year.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Nature of Operations and Summary of Significant Accounting Policies, continued

Fixed Assets and Intangibles

Purchased land, buildings, equipment, and leasehold improvements are stated at costs and depreciated over the estimated useful lives of the respective assets on a straight-line basis. Donated assets are stated at their estimated fair market value on the date of donation. Assets constructed by the Organization are stated at cost, which includes direct costs of construction including interest during the construction period and other carrying costs. When assets are disposed, the cost and related accumulated depreciation is removed from the accounts, and any gain or loss is recorded. Items of property and equipment with a cost of \$5,000 or more are capitalized. The estimated useful lives are 30 - 40 years for buildings, 7 - 15 years for improvements, and 5 - 7 years for equipment.

Investments

The Organization has formed various limited partnerships some of which are owned 100% directly or indirectly by the Organization. As of September 30, 2017 and 2016, the Organization was the general partner for 14 limited partnerships and 15 limited partnerships, respectively, for which the organization owned a less than 50% interest (see Note 3). The partnerships were formed to construct and operate affordable housing complexes. Investments owned 100% directly or indirectly by the Organization are accounted for using the consolidation method of accounting under which inter-company transactions are eliminated. Investments in partnerships for which there is a less than 50% interest held by the Organization as general partner are accounted for using the equity method and are carried at cost adjusted annually for the Organization's proportionate share of earnings or losses.

Notes Receivable, Rural Housing Rehabilitation Program

Notes receivable are stated at their unpaid principal balance plus accrued interest earned. Interest on notes is typically recognized for the first five to seven years of the loan. Interest earned on notes associated with the Rural Housing Rehabilitation Program (RHRP) is calculated using the compound interest method on principal and interest amounts outstanding. The notes receivable are secured by real estate.

Management has elected to provide an allowance for uncollectible notes receivable for the RHRP equal to the estimated collection losses that will be incurred. The allowance for loan loss is based upon periodic review of the collectability of the loan in light of historical experiences, the nature and volume of the loan portfolio, adverse situations that may affect the borrower's ability to repay, estimated value of the underlying collateral, and prevailing economic conditions. This evaluation is inherently subjective as it requires estimates that are susceptible to significant revision as more information becomes available. Once information is available that confirms the amount is uncollectible, the receivable is written off against the allowance.

1. Nature of Operations and Summary of Significant Accounting Policies, continued

Notes Receivable, Related Parties and Interest Receivable, Related Parties

Notes receivable, related parties, include notes due from the limited partnerships for which the Organization is the General Partner. The notes are stated at their unpaid principal balance. Interest on notes is recognized over the term of the loan. The notes are secured by real estate. Management has elected to provide an allowance for uncollectible notes receivable and interest receivable due from related parties. The allowances are based upon expected ability for the respective limited partnerships to pay the debt before or at the time of assumption of the limited partner interest by the Organization which is to occur at some future point in accordance with the respective partnership agreements. This evaluation is inherently subjective as it requires significant estimates that are susceptible to future revisions.

Beneficial Interest in the Net Assets of Related Organization

During the year ended September 30, 2015, the Organization contributed \$4,888,900 to a related organization, SVDP Leverage Lender (a non-profit organization), which was organized exclusively for the support and benefit of the Organization. The bylaws of SVDP Leverage Lender state that the majority of the board of directors must be individuals who are not then members of the board of directors of the Organization. Due to this stipulation, the Organization is not deemed to have control over SVDP Leverage Lender and, therefore, SVDP Leverage Lender is not required to be consolidated with the Organization for financial reporting under US GAAP. The Organization recognizes its interest in the net assets of the related organization as a beneficial interest in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 958-20-25-2. The amount of the beneficial interest is based on the amount contributed to the related organization and is adjusted annually for the Organization's share of the change in the net assets of the related organization, which is included with gains (losses) on investments on the consolidated statements of activities.

Income Tax Status

St. Vincent de Paul Society of Lane County, Inc. qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code (IRC). The Organization has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(vi). The wholly owned subsidiaries of the Organization have various income tax statuses as follows: De Paul RE Services, Inc. and D, Lamb, Inc. – tax-exempt under IRC Section 501(c)(2); De Paul Property Management, LLC and Linn County Affordable Housing Acquisition, LLC - disregarded entities; Marion County Elderly, Inc. – taxable corporation; and Society of St. Vincent de Paul of Lane County – tax-exempt under IRC Section 501(c)(3). The Organization and its subsidiaries file applicable tax forms in the U.S. federal jurisdiction, the state of Oregon, and the state of California. The returns are generally subject to examination by taxing authorities for a period of three years after filing.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Nature of Operations and Summary of Significant Accounting Policies, continued

Revenue Recognition

Contributions revenue is recognized when the contribution or promise to contribute is made. Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. Donor-restricted support is recorded as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statements of activities as a release from restriction.

Grant revenue for expense reimbursement based grants is recognized as qualified expenses are incurred, subject to the amount authorized in the grant agreement. Unreimbursed grant expenses due from grantor agencies are reflected in the consolidated financial statements as receivables and revenues.

Retail sales revenue is recorded when sales are made and is presented net of returns.

Fee for services revenue, including contract services, management fees and partnership reimbursements, and developer fee income, is recognized when the respective service is performed.

Donated Services and Materials

The Organization records the value of donated goods and use of facilities using the estimated fair market value of the donated good/use of facilities at the date of donation. The Organization records the value of donated services when the services meet the criteria for recognition in accordance with U.S. GAAP and there is an objective basis available to measure their value. The donated services included in the consolidated financial statements were valued at the fair market value of similar services. The Organization also receives donated services from a variety of unpaid volunteers who assist with programs in nonspecialized roles. Approximately 25,000 hours were donated by unpaid volunteers in 2017 and 2016. No amounts have been reflected in the consolidated financial statements for these donated hours. Donated materials and supplies are reflected as contributions, in-kind and are valued at the estimated fair market value as of the date the item is received.

Derivative Financial Instrument Policy – Interest Rate Swap

The Organization entered into an interest rate swap agreement to manage its interest rate exposure. Interest rate swaps are agreements to exchange interest rate payment streams based on the principal amount. The Organization's accounting policies require settlement accounting principles for interest rate swaps in which net interest rate differentials to be paid or received are recorded currently as adjustments to interest expense.

Advertising Costs

The Organization's advertising costs are expensed as incurred.

Functional Allocations of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the programs and support services benefited.

Recent Accounting Standard Adopted

In April 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-03, *Interest-Imputation of Interest: Simplifying the Presentation of Debt Issuance Costs*. ASU 2015-03 requires the Organization to present debt issuance costs as a direct deduction from the carrying value of the related debt liability and amortization is required to be included with interest expense in the consolidated statements of activities. ASU 2015-03 is effective for fiscal years beginning after December 15, 2015. The Organization has adopted the provisions of ASU 2015-03 and prior period amounts have been retroactively reclassified to conform to the current period presentation. As a result, as of September 30, 2016, \$1,097,563 of unamortized deferred financing costs related to the Organization's long-term debt were reclassified in the consolidated statement of financial position from intangible assets to long-term debt and for the year ended September 30, 2016, \$41,912 of amortization expense related to such deferred financing costs were reclassified to interest expense in the consolidated statement of activities, with no effect on previously reported change in net assets. Other than this reclassification, the adoption of ASU 2015-03 did not have a material impact on the Organization's financial position, results of activities, or cash flows.

2. Cash and Cash Equivalents and Concentration of Credit Risk

Under the terms of grant agreements, the Organization is required to maintain restricted cash accounts and in some cases segregated bank accounts. The restricted accounts are typically restricted to pay operating expenses of the related programs or as reserves for repairs and replacements on housing projects.

	<u>2017</u>	<u>2016</u>
Unrestricted cash and cash equivalents	\$ 1,225,800	\$ 1,013,105
Restricted cash and cash equivalents	<u>4,050,371</u>	<u>3,695,945</u>
Total cash and cash equivalents	<u>\$ 5,276,171</u>	<u>\$ 4,709,050</u>

Deposits with financial institutions include bank demand deposits, money market accounts, and certificates of deposit. Deposits held at financial institutions are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000 at each financial institution. Balances held may from time to time exceed federally insured limits. The total bank balance of these accounts were \$5,719,085 and \$4,770,337 for the years ended September 30, 2017 and 2016, respectively. Of these deposits, \$2,853,977 and \$2,834,456 were covered by federal depository insurance at September 30, 2017 and 2016, respectively. Balances of \$2,865,108 and \$1,935,881 as of September 30, 2017 and 2016, respectively, were not insured.

3. Investments

Investments consist primarily of capital contributed to the entities the Organization has formed to construct and operate affordable housing developments for eligible tenants in Oregon. The Organization serves as the General Partner and acts as manager of the developments.

At September 30, the Organization's equity (deficit) in the limited partnerships and other investments were as follows:

	<u>2017</u>	<u>2016</u>
Alona Place Limited Partnership	\$ 100,737	\$ -
Ash Meadows Limited Partnership	-	247,781

Fixed assets, net	<u>\$ 42,412,728</u>	<u>\$ 37,892,763</u>

5. Assets Held for Sale

During 2009, the Organization purchased land from the city of Lowell, Oregon and land located in Veneta, Oregon with the purpose of developing the land and selling it to qualified homebuyers in accordance with grants received for that purpose. Costs associated with readying the land for sale are capitalized as land costs. The amounts are included as assets held for sale and is stated at the lower of its carrying amount or fair value, less costs to sell.

6. Notes Receivable, Rural Housing Rehabilitation Program

In 2002, the Organization began the RHRP for Lane County which provides loans to eligible homeowners to improve the structure of their homes, and create a safer and healthier environment in which to live. They have subsequently added loans from the cities of Cottage Grove, Florence, Lowell, and Oakridge, Oregon. The loans generally accrue interest annually at 1 to 3 percent for the first 5 to 7 years of the loan. The loans are secured by real estate. Each loan has a 20-year term and can be renewed in 5-year increments after the first 20 years. At September 30, 2017 and 2016, the total amount of notes receivable for this program, net of the allowance, was \$2,663,913 and \$2,567,642, respectively. Amounts are net of an allowance for uncollectible accounts of \$228,291, for the years ended September 30, 2017 and 2016. All loans are considered to be long-term.

7. Lines of Credit

The Organization has three revolving lines of credit totaling \$1,400,000 with Banner Bank that mature July 5, 2018. Interest is payable monthly based on a variable rate index and is subject to minimum and maximum rate limitations (effective rate of 4.375 percent and 3.625 percent at September 30, 2017 and 2016, respectively). Collateral is provided by accounts receivable, inventory, and equipment. At September 30, 2017 and 2016, outstanding borrowings on the revolving lines of credit were \$239,190 and \$240,268, respectively, and the amount available on the lines of credit was \$1,160,810 and \$1,109,732, respectively. The credit agreement requires the Organization to maintain specified reporting requirements and financial covenants which are measured periodically. Management believes the Organization was in compliance with the financial covenants required by the credit agreement as of September 30, 2017 and 2016.

Case Management, Property Management, and Accounting Fees

The Organization acts as property manager for multiple limited partnerships and performs various management and accounting duties for the partnerships. For the years ended September 30, 2017 and 2016, there were 14 and 15 limited partnerships, respectively. Income from property management totaled \$822,421 and \$778,984 for the years ended September 30, 2017 and 2016, respectively.

10. Lease Obligations

The Organization leases, as lessee, buildings for store operations, the Interfaith Emergency Shelter System, and manufacturing facilities under non-cancelable operating leases expiring at various dates through 2034. Total rent expense for the years ended September 30, 2017 and 2016 was \$1,656,764 and \$1,343,727, including \$1,382,427 and \$1,064,707, respectively, for all facilities under non-cancelable operating leases.

At September 30, 2017, future minimum lease payments under such leases were as follows:

<u>For the Year Ending September 30,</u>	
2018	\$ 1,337,748
2019	1,047,550

Thereafter	<u>2,597,780</u>
Total	<u>\$ 7,221,599</u>

11. Contingencies

Grants and bequests require the fulfillment of certain conditions as set forth in the instrument of the grant. Failure to fulfill the conditions could result in a request by grantors to return the funds. The Organization's management considers this contingency to be a remote possibility, since the Board could modify the objectives of the Organization to the provision of the grantor, if necessary.

12. Contributions, In-Kind

The Organization receives noncash donations throughout the year including food from Food for Lane County, donated cars, donated use of facilities, and other donated goods. The food received is distributed as direct aid to individuals. For the years ended September 30, 2017 and 2016, noncash donations were comprised of the following:

13. Derivative Financial Instrument – Interest-Rate Swap

The Organization entered into an interest-rate swap agreement related to the bond issuance. The Organization will pay a fixed interest rate of 4.48 percent to KeyBank. KeyBank has agreed to pay a variable rate on the principal amount of the bonds. During 2009, the bonds associated with the interest-rate swap were paid in full. However, the interest-rate swap agreement is still in effect until March 1, 2019. The loss on the interest-rate swap was \$25,080 and \$37,394 as of September 30, 2017 and 2016, and is included in interest expense.

15. Contribution to Related Party - Aster, Inc.

During 2008, the Organization contributed \$1,168,914 for the formation of Aster, Inc., a 501(c)(3) nonprofit organization. Aster, Inc. was formed for the purpose of constructing and operating an affordable housing project. Aster, Inc. is a related party that shares some management and board members with the Organization, but Aster, Inc. is not controlled by the Organization. As of September 30, assets, liabilities, and net assets of Aster, Inc. consisted of the following:

	<u>2017</u>	<u>2016</u>

16. Assumption of Limited Partnerships

During the year ended September 30, 2017, De Paul PM, LLC, a wholly owned subsidiary of the Organization, was assigned the exiting limited partners' ownership interest in Spruce Terrace Limited Partnership and Ash Meadows Limited Partnership. At the time the interest was assigned, the partnership became wholly owned by the Organization. At the time of the assignment, the assets and liabilities of the limited partnership were transferred to the Organization in satisfaction of the amounts due to the Organization. The assets were recorded at their estimated fair market value based on the restricted rents cash flow at the date of the assignment.

17. Reclassifications

Certain prior year amounts have been reclassified to conform to the current year presentation. Such reclassifications have no effect on previously stated net assets or change in net assets.

18. Subsequent Events

Management evaluates events and transactions that occur after the consolidated statement of financial position date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.

In November 2017, the Organization exercised an option to purchase the previously leased Chad Drive location at a price of \$5,300,000. The purchase was financed with a tax-exempt SNAP loan through the Oregon Facilities Authority (OFA) by Banner Bank in the amount of \$8,500,000. The loan requires monthly payments of \$43,137, including interest at a fixed rate of 3.63 percent. Monthly payments are based on 25 year amortization of the loan; however, there is a balloon payment due for the unpaid principal balance on January 1, 2028. The note is secured by real estate.

In addition to financing the purchase of the Chad Drive location, the loan also included a refinance of the existing bridge loan for the Seneca Drive location and to fund improvements, expansion, and remodel of these facilities.

Maturities of the note for each of the next five years and thereafter are as follows:

<u>For the Year Ending September 30,</u>	
2018	\$ 176,747
2019	219,265

2022	244,452
Thereafter	<u>7,396,428</u>
Total	<u>\$ 8,500,000</u>

On January 1, 2018, the Investor Limited Partner in Four Oaks Limited Partnership, Hazel Court Limited Partnership, Stayton Manor Limited Partnership and Wallerwood Limited Partnership sold its interest in each partnership to De Paul Property Management, LLC, a wholly owned subsidiary of St. Vincent de Paul Society of Lane County, Inc. for \$1, which is effectively a donation of its interest. The gain or loss to be recognized due to the donation of the investor interest is not yet determinable.

SINGLE AUDIT

ST. VINCENT DE PAUL SOCIETY OF LANE COUNTY, INC. AND SUBSIDIARIES
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended September 30, 2017

1. Organization of the Schedule

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of St. Vincent de Paul Society of Lane County, Inc. and subsidiaries under programs of the federal government for the year ended September 30, 2017. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the consolidated financial statements. The Schedule is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

2. Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Expenditures reported on the Schedule include non-monetary assistance in the form of food and other commodities received. The amount expended is determined based on the values provided by the grantor.

For revolving loan programs, loans of such funds to eligible recipients and eligible administrative costs are considered expenditures.

The Organization has elected to use the ten percent de minimis indirect cost rate as allowed under the Uniform Guidance.

3. Loans and Loan Guarantee Programs

For loan and loan guarantee programs for which there are continuing federal compliance requirements, the amount of expenditures reported on the Schedule is the sum of the loan balance at the beginning of the year, the value of new loans made during the year, and cash or administrative cost allowance received during the year.

ST. VINCENT DE PAUL SOCIETY OF LANE COUNTY, INC. AND SUBSIDIARIES
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
For the Year Ended September 30, 2017

3. Loans and Loan Guarantee Programs, continued

The Organization has loans due to federal agencies or pass-through agencies for which there are continuing compliance requirements. As of September 30, 2017, the outstanding loan balances on such loans were as follows:

<u>Federal Agency</u>	<u>Program Title</u>	<u>CFDA Number</u>	<u>Outstanding Balance</u>
U.S. Department of Housing and Urban Development: Passed- through city of Portland	Community Development Block Grant	14.218	\$ 1,318,029
U.S. Department of Housing and Urban Development: Passed- through Community Frameworks	Self-Help Home Ownership Opportunity Program	14.247	300,000
U.S. Department of the Treasury: Passed-through Network for Oregon Affordable Housing	Community Development Financial Institutions Program	21.020	<u>750,000</u>
			<u>\$ 2,368,029</u>

The proceeds of loans that were received and expended in prior years are not considered federal awards expended when the laws, regulations, and the provisions of contracts or grant agreements pertaining to such loans impose no continuing compliance requirements other than to repay the loans and have been excluded from the Schedule and the notes to the Schedule.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
St. Vincent de Paul Society of Lane County, Inc. and Subsidiaries
Eugene, Oregon

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of St. Vincent de Paul Society of Lane County, Inc. (a nonprofit organization) and subsidiaries (the Organization), which comprise the consolidated statement of financial position as of September 30, 2017 and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 16, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Organization's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's consolidated financial statements are free from material misstatement, we performed tests of their compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests did not disclose instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH
MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE
REQUIRED BY THE UNIFORM GUIDANCE**

To the Board of Directors
St. Vincent de Paul Society of Lane County, Inc. and Subsidiaries
Eugene, Oregon

Report on Compliance for Each Major Federal Program

We have audited St. Vincent de Paul Society of Lane County, Inc. and subsidiaries' (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended September 30, 2017. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, St. Vincent de Paul Society of Lane County, Inc. and subsidiaries complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2017.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliances requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
