#### Procedures for Accepting Applications and Selecting From the Waiting List:

An applicant must submit a completed Application for Admission and Rental Assistance. We maintain a waiting list for each of our properties. You can express your preference for one or more properties on your application. Once received, an application will be evaluated; any application meeting the requirements as stated in the "General Eligibility Requirements", "Income Requirements" and "Applicant Screening Criteria" sections will be placed on the wait list. Any application not meeting these requirements will be rejected and not placed on the wait list. In the event that an applicant is rejected, the applicant will receive written notification. We do accept reasonable accommodations. The applicant shall have fourteen (14) days from the date of the letter to respond in writing to request a meeting to discuss the rejection. Responses may be directed to St. Vincent de Paul Mobile Home Park Division at 2890 Chad Drive, Eugene, OR 97408.

One's place on the waiting list is determined by the date on which all application materials are received at the office; however, acceptance to the waiting list does not automatically guarantee eligibility for an apartment. Further screening as described in the applicant screening criteria section will be completed at the time an apartment is offered. Apartments are rented to eligible persons in the order of receipt.

#### **Wait List Procedures:**

The offer of an apartment will be made by telephone and by letter. A person offered an apartment has five (5) days from the date of mailing, to notify the office of their intention to accept or reject the offered apartment. An intake appointment must be set up within 7 days of contact from the applicant stating they would like to apply for the unit.

Any deviation from this time frame must be approved in writing by the Proporty.

Any deviation from this time frame must be approved in writing by the Property Management Director.

An applicant will be removed from the waiting list if mail is returned due to incorrect mailing information or if a number is disconnected or incorrect.

Any eligible person who refuses an apartment due to medically necessary reasons will not lose his or her place on the waiting list. Otherwise, any applicant who is offered a unit and refuses will be removed from the waiting list. The individual may reapply at any time. However, their position on the waiting list will be determined by the date their most recent application is submitted.

We purge our waitlists annually via mail.

If at any time there are changes to the Tenant Selection Plan all applicants on wait list will receive a copy of the updated TSP.

#### **Procedures for Applying Preferences:**

HUD requires that no less than 40% of the admissions to any project assisted through the project-based section-8 program in any fiscal year must be extremely low-income (ELI)households. Income Targeting will be analyzed annually to insure the 40% target is met. In keeping with HUD's Income Targeting Policies, applicants at Four Oaks, Hazel Court, Stayton Manor or Wallerwood Apts. whose incomes are below the Extremely Low-Income limit (30% of the area median income) may receive preference over another applicant in a higher position on the waitlist when a unit becomes available. To implement this preference the first extremely low-income applicant on the waiting list (which may mean "skipping over" some applicants with higher incomes) for the available unit, and then select the next eligible applicant currently at the top of the waiting list regardless of income level for the next available unit. As subsequent units become available, tenant selection continues to alternate between the next extremely low-income applicant and the eligible applicant at the top of the waiting list until the 40% target is reached.

#### **Intake Appointment:**

- > Any household member having an open criminal case.

In considering whether a given conviction should constitute grounds for denial of the application, management will consider the following to determine whether the person can reasonably be expected to refrain from future criminal conduct:

- > The grade of the offense.
- > Length of time since commission of the offense.
- > Other convictions.
- > Evidence of continuing dangerous behavior, current restraining orders.
- > Reports from probation or parole officers regarding potential risk of the individual.
- > Reports of social service agencies supporting the applicant.

#### Additional Screening Criteria:

- A resident must conduct himself/herself in a manner which does not threaten the health and safety of self and other residents, staff or the facility.
- > A resident must be able to live according to and abide by the terms of their lease agreement.
- As part of the screening process, management will utilize the EIV Existing Tenant Search. This will allow us to determine whether or not the applicant or applicant's household members are currently receiving HUD/PIH housing assistance.
- Applicants shall not interfere with management. If an applicant interferes with management they will be denied, and St. Vincent de Paul may refuse to rent to them completely. For purposes of this section interference with management includes but is not limited to threatening in any form, verbal harassment (eg. screaming, yelling, swearing, or using profane or offensive words), written harassment or telephonic harassment (eg. cyberbullying, sending mail, emails, or phone calls with profane or offensive words, repeat calling, or posting untrue statements on-line or on-site), and physical harassment (ex. assaulting, battering, intimidating, threatening physical harm, or preventing work to be performed) of the Property Management/Agent, including any employees or agents thereof.
- > The demeanor and behavior of the applicant(s) during the application process and prior to signing the Rental Agreement will be considered in the approval/denial of an application.

If any of the above information provided is inadequate, or we do not receive a response, the application process will proceed no further.

#### **Approved**

- We will not advise applicants/tenant of when to give a 30 day notice to vacate to their landlord.
- 2. Once an applicant is approved they will be notified by phone unless another form of contact has been requested during the application.
- 3. If the unit is ready to rent the applicant will have to schedule an appointment for lease and pay move in costs within 3 business days. If they are unable to do so within the 3 business days we will offer the unit to the next approved applicant.
- 4. If the unit is not ready at the time of approval the applicant will be contacted once the unit is ready to rent. The applicant will have to schedule an appointment for lease and pay move in costs within 3 business days. If they are unable to do so within the 3 business days we will offer the unit to the next approved applicant.
- 5. If an applicant is approved, yet refuses/denies to rent the unit offered to them for any reason, they will continue to be approved but not guarantee that there will be another unit available before the application expires. (paperwork is only good for 120 days) If the paperwork expires past the 120 day period and previously a unit had been offered but they chose not to rent it, the application will be denied and removed from the waitlist.

The new move-in must be placed on transfer list for a smaller unit.

#### **Unit Transfer Policies:**

Residents may request a transfer between apartments for the following reasons:

- > There has been a change in the household composition.
- > For medically necessary reasons when accompanied by a note from the Tenant's physician.
- > For a Reasonable Accommodation to a household member's disability or an extenuating circumstance.

Transfer requests will be placed on an in-house waiting list, in the order of the date they are received. In-house transfers have priority in regard to apartment availability. When a unit becomes available and a tenant on the in-house waiting list requires that type/size of unit, that tenant will be transferred. If no tenant on the in-house waiting list requires the type/size unit that is available, the unit will be offered to applicants on the general waiting list according to our wait list procedures. Those with an approved Reasonable Accommodation may be moved to the top of the waiting list.

If a transfer request is granted based on a Reasonable Accommodation, St. Vincent de Paul Property Management will pay the costs associated with the transfer unless doing so would be an undue financial and administrative burden.

## <u>Policies to comply with Section 504 of the Rehabilitation Act of 1973 and Fair Housing Act Amendments of 1988:</u>

Section 504 prohibits discrimination based upon disability in all programs or activities operated by recipients of federal financial assistance.

A Reasonable Accommodation as defined by the Fair Housing Act is any accommodation by management in rules, policies (including acceptance of assistance animals as an exception to a "no pets" rule), and practices of services to give a person with a disability an equal opportunity to use and enjoy a dwelling unit or common space. It is your responsibility to inform management of any situation where a Reasonable Accommodation is needed. Reasonable Accommodations should be submitted in writing. If unable to provide the request in writing, please notify management. Reasonable structural modifications to units and/or common areas that are needed by applicants and tenants with disabilities may be approved and funded by the project, unless these modifications would change the fundamental nature of the project or result in undue financial and administrative burdens. Fair Housing Act Amendment of 1988 prohibits discrimination on the basis of race, color, religion, gender, national origin, disability or familial status. We do not discriminate on the basis of disability status in the admission or access to, or treatment or employment in, its federally assisted programs and activities.

#### Policy for opening and closing the waiting list for the property:

It is not our policy to close the waiting list for our properties. We will evaluate the lists annually and if the lists become excessive, we will consider closing them.

#### **Security Deposit Requirements:**

HUD requires collection of a security deposit at the time of the initial lease execution. The amount of the required deposit is equal to the Total Tenant Payment, line 108 from the HUD 50059 form. SVDP requires prorated rent and security deposit be paid at the time of the initial lease execution.

#### **Existing Tenant Search:**

According to HUD's requirements, St. Vincent de Paul will perform an Existing Tenant Search on all household members once they have completed an application packet and have signed the HUD-9887. This search is available through EIV (Enterprise Income Verification). This search identifies applicants who may be receiving assistance at another Multifamily or PIH location.

- > If an applicant is reported as receiving assistance at another property or through another program property management will
- > Discuss the report with the applicants and will give the applicant the opportunity to explain any circumstances relative to his/her being assisted at another location.
- > Follow up with the respective Public Housing Authority or Owner/Agent to confirm the individual's program participation status before admission.
- > Coordinate move-out and move-in dates with the PHA or O/A of the property at the other location.
- Retain the search results with the application along with any documentation obtained as a result of contacts with the applicant and the PHA and/or O/A at the other location.
